

## Selection of Title Insurance Provider

As a thoughtful and informed homeowner, homebuyer or investor, I have made the decision to purchase title insurance from **OneTitle National Guaranty Company**. I know that it is my right to select my title insurance company.

**OneTitle** has filed lower title insurance premium rates with the New York State Department of Financial Services. (Many people thought this was impossible.) In addition, their fees are extremely low. This combines to save me a significant amount of money. Those savings are important to me.

Service matters—to me and to you. Because **OneTitle** works directly with attorneys and lenders, they offer faster and better service. I know that closing this transaction will be easier on all of us—including all of the attorneys and my lender—because of the direct access that we will all have to **OneTitle**.

**OneTitle** is licensed and regulated by the New York State Department of Insurance (NAIC Number: 15362). You can read more about **OneTitle** at [www.onetitle.com](http://www.onetitle.com).
